

A grid of 151 rows and 151 columns. The first column contains row numbers from 1 to 151. The first row contains column numbers from 1 to 151. Each cell in the grid contains a small, colorful icon or symbol, creating a complex pattern. The symbols vary in color (blue, green, yellow, orange, red, purple, grey) and shape (circles, squares, diamonds, triangles, crosses, etc.). The overall appearance is that of a large, multi-colored grid of small graphical elements.
